

# Using Medidata Patient Cloud

## COMPLETING QUESTIONNAIRES

You will be sent a questionnaire every week via the Patient Cloud app on your iOS device (e.g. iPhone, iPad, or iPod touch).

### STEP 1 LOGIN

1. Enter your **email address**.
2. Enter your **password**.
3. Tap **Log In**.

*Note: If you do not remember your password, tap **Forgot Password** and follow the instructions provided.*

### STEP 2 COMPLETE THE FORM

1. Tap the form to start the questionnaire.
2. Tap the appropriate response.
3. Tap the green **Next** arrow to move to the next question.

*Note: To learn more about each type of response, tap the **Help** icon and select the appropriate topic.*

### STEP 3 SUBMIT YOUR DATA

1. Review your responses by scrolling down the list.

*Note: To change an answer, tap the question to edit it.*

2. Tap **Submit Your Data**.

*Note: Once the questionnaire is submitted, you can neither review nor edit any of your responses.*

SET A  
REMINDER

Complete the questionnaire after receiving it, which is on every

during the eight-week trial.

It is recommended to set up a reminder on your device to ensure you complete it in time.

## CHARGING YOUR iOS DEVICE

Remember to charge your iOS device regularly so you can receive and complete the questionnaires on time. The weekly questionnaire will not be available after **48 hours** of receipt.
